

ABV (Apéritif à Base de Vin) 19° x 3 Bé - Wit

Country:	Belgium
Alcohol degree:	19 %
Serve with:	enjoy it as it is or use it to prepare aperitif wines
Description:	This is a base wine of the best quality from Spanish origin, which can be used to prepare aperitifs. We are able to offer you this wine at a very low price because we import it ourselves in very large quantities. On top of that, our customers can count on a very quick delivery from our permanent stocks. This base wine has an alcohol degree of 19 % and a sugar level of 3 Bé. It has an oily texture and a yellow ochre colour. The wine can be enjoyed as it is, but it can also be used to prepare a large range of different aperitifs.
