<b>Description:</b>	<p>These are wines blended from the noble grape varieties present on the island, which, for a number of reasons are grown in limited volume. They represent approximately 10% of the total harvest. They are blended from a mix of wines, all of which have themselves been produced by the individual vinification of white grapes, and which have spent a minimum of 10 years in oak casks prior to bottling. A dark amber colour with a striking nose of nuts, molasses and vanilla. Rounded, smooth, mellifluous and balanced. Pleasant notes of toasted walnuts and caramel. A full bodied wine with a vigorous and lengthy finish. The acidity is well balanced by sweetness. Harmonious. Silver medal on Les Olympiades du vin.</p>
