

PASTIS de MARSEILLE - Bastidon

Country: France

Alcohol degree: 45 %

Serve with: aperitif

Description: Pastis is an aperitif based on staranise, liquorice, sugar and extracts of herbs. The volume of alcohol is between 40% and 45%. For consumption you have to mix the Pastis with cold water. The Pastis becomes milky white and cloudy. There is a sharp, sweet smell of anise. Pastis must never be enjoyed in a hurry. It demands the correct ambience.
