

FIFTY POUNDS GIN

Country:	Great-Britain
Region:	London
Appellation:	London Dry Gin
Alcohol degree:	43.5 %
Serve with:	aperitif - cocktails
Description:	Fifty Pounds Gin is produced by the small and legendary Thames Distillers in South-East London. The distillation of a perfectly balanced, secret combination of herbs, spices and fruits, along with the grain spirit (a neutral alcohol, previously distilled three times achieve a higher purity) is performed in a pot still by the legendary John Dore & Co. Limited. The result is a well balanced, extremely smooth and spicy London Dry Gin.
