Description:	This madeira was aged in oak barrels in the traditional 'canteiro' system for more than 40 years. After aging, this wine underwent a refinement and filtering before the mixture was assembled and bottled. This Madeira has a pure and brilliant pale medium amber color. The nose has an intriguing scent of musk and wood autumn with warm and delicate notions of honey. In the mouth the Old Reserve Madeira Terrantez is medium dry with flavors of nuts and minerals. The end has a refreshing acidity.
